Record of Emergency Data

Proof of Successful Completion

Congratulations, **SRA JORDAN A REDD**! You have successfully updated your Record of Emergency Data.

This program does not update name changes, SSAN, Marital Status, Spouse's Name, or Child(ren)'s information. These changes may require copies of legal documents in your file; therefore, you must make these changes in person and provide a copy of the source documents to your servicing military personnel section. They will ensure the data is updated in both the Military Personnel Data System (MilPDS), and the Defense Enrollment Eligibility Reporting System (DEERS).

You may now [view or print a copy of your Virtual Record of Emergency Data](#).

Attention: Using this system constitutes consent to monitoring.
